

Finder's Keepers Fundraising Program

The Finder's Keepers Fundraising Program is perfect for schools, teams, clubs, and community groups looking to raise money.

As a family-owned business in Northern Virginia, Finder's Keepers is interested in giving back to the community by providing enriching opportunities for the young teens who frequent our store. We are very flexible with our fundraising opportunities and encourage creative suggestions to ensure that your event will best fit your group's needs.

Finder's Keepers also assists local groups by lending props to theatrical productions, showcasing local student art, and hosting fashion shows for student projects.

If you are a local student or group interested in taking advantage of any of these opportunities, please contact Stephanie at 703-241-9227.
